## How to Log on and Change password

### LOGGING INTO THE SITE

To access this site you will need to log in with a username and password. Please note that you need to have an active CHRIS identification number or an allocated volunteers number (with prefix v ) to utilise this resource. If you need access and do not have either of these, please contact the Staff Development Department. Ext.225107

### WHAT IS MY CHRIS NUMBER?

Your CHRIS number is your unique identifier in the SA Health Human Resources system. It consists of six digits and may be found on the front of your payslip (see below). It will be your user name in the new electronic learning system. See your manager should you need further assistance.
